Dear neighbors and friends, we are very excited to announce our new Brake Masters VIP Program to you. As a member of our VIP Program you will receive a 10% discount on all Brake Masters services. Our goal is to be your number one choice for all your auto repair, safety, and maintenance needs.

Brake Masters has been in business since 1983, originating in Tucson, AZ. We have expanded over the years as the need for quality and honest car care demands have risen, and now have locations all over the state of Arizona and other western states.

Our mission at Brake Masters is to always conduct ourselves with **PRIDE**.

P – Personal
R – Responsibility
I – In
D – Delivering
E – Excellence

We invite you to visit our stores in your area or any of our locations and experience our **PRIDE** for yourself. Please bring your VIP card attached to this letter with you on each visit to receive your 10% discount, and remember that at Brake Masters we will always give you “**AN HONEST BRAKE**”.

Brake Masters is a local company and not in partnership with the Safeway Company. Any discount offered by Brake Masters is at their own discretion and can be modified or cancelled at any time.

Hope to see you soon!
