

# EMPLOYEE BENEFIT PROGRAM

## How to Order Tickets using the Employee Benefit Program Link

1. Click the TICKETS link in the email. Click FIND TICKETS for the game that you choose.
2. Enter your password, PUCK, as stated in the email. Do NOT enter your email at this point.
3. On the next page, create an account if you do not have one already. You'll be able to use this account every time you take advantage of the offer.
4. Choose the price category. You will be given the best available in the price category of your choice. You will receive a file attachment via email that contains your tickets. If you require specific seating, please contact your sales representative on the email. Open the attachment, print, and bring to the game.
5. Enjoy!
