Great time buying a car. I didn't know
what I wanted but they let me drive almost
everything they had. I finally decided on a
CR-V and have been very happy....

BEST CAR BUYING EXPERIENCE IN MY LIFE!!!!

WOW!!! This was awesome.. I tell you what these guys have their stuff together.. Paul, Pete, and Jordache (my sales rep) were all awesome. I really appreciated all of their quick decisions, and the ability to get to the point extremely quick....
