

How do Membership Cards Work?

When do I get my SCEA membership card?

After the initial roll out (April/May 2008) membership cards will be printed and sent once per quarter within the first two weeks of the start of the new quarter.

Do the membership cards expire?

The membership cards will expire at the end of the year in which they were received OR in the event SCEA membership is terminated. The first quarter of each year SCEA will print new membership cards for ALL members. The new cards will replace the previous year's expired card.

What do I do if I lose my membership card?

If you lose your membership card you can order a replacement by going to the SCEA website at www.texascea.org. The replacement will be printed with the next quarters set of new cards.

What can I use my membership card for?

The membership card can be used when a vendor requires proof that you are an SCEA member. Your pay-stub showing the SCEA deduction can also be used to show proof of membership.
