

SCEA GOLF CLUB NEWS

The last tournament of 2011 took place on December 3 at Black Gold Golf Club in Yorba Linda. The course and clubhouse lived up to our expectations. The weather was cold and windy in the morning but it did not discourage the 57 players from having an enjoyable round.

The morning began with a Holiday Theme decorated putting contest on a windblown putting green. A playoff between 6 players occurred on the 18th green after the completion of the Scramble. The one putt roll-off was won by Dick Hemley from Fallbrook. Congratulations!

As the morning moved toward noon, the wind subsided and the course became easier to play. Most of the scores went lower as each group played their second 9 without the wind and the results were double digits below par for the winners.

We enjoyed the company of 23 golfers who had not played with us before, including the foursome winning the tournament with a score of 60(-12). Congratulations to Michael Lynn, Mitch Ramos, Tom Lynn, and Jack Kiesendahl of the El Monte Distribution Center. We also had two mixed groups and the 1st Place Mixed went to Lori Kunioka, Gary Vlcek, Mike Nelson and Warlito with a 65. Congratulations!

Our individual awards were won by Maria Gudger and Jay Lassiter for Closest to the Pin and to Lori Kunioka and Mike Lynn for the Longest Drives.

The clubhouse was plush and the banquet was sumptuous. The Black Gold Golf team really did a great job.

This event marked the Grand Prize Drawing of a Weekend Getaway for Two as all players were entered once for each event they played in this year. The winner was Dave Campbell, who played in three tournaments in 2011 and is a regular with us each year. Congratulations Dave!

This marked the 13th golf event that Ron Reyes and I have worked together, Due to health concerns, Ron was unable to play but showed up in great form to handle the volunteer responsibilities and did an excellent job. Thanks Ron!

We are planning some great events for 2012. We have a Laughlin Tournament coming up on April 14. We are also booking San Diego County and Industry Hills events for 2012. Keep your eyes open for the flyers and get signed up early.
