

JOIN US FOR LUNCH!

All SCEA members are invited to attend!
Join us for lunch and to **learn more** about your local employee association.

Thursday, February 2nd, 2012, 11am to 2pm
Briarpark Office, 3663 Briarpark Drive, Houston TX
RSVP by email to Christy.Lara@Safeway.com on or before Jan 30th.
Lunch will be provided for all attendees PLUS we will have door prizes!

We are **voting for new officers!** We will also be collecting names for those who would be interested in **joining the Social Events Committee.**

The employee association is driven by associates – the more people we have involved the better the organization will be!

SCEA does not function well without volunteers to drive events and membership.

There are many **benefits to being an SCEA officer!**

Some of the benefits include complimentary tickets to events, the “inside scoop” on SCEA related information, and the satisfaction of having a positive impact on employee morale. **Now is the time to get involved!**

Please **email me** (Christy.Lara@Safeway.com) to learn more about SCEA volunteer opportunities. **You have nothing to lose! No commitment is required at this point – just let us know you want to know more and we will contact you to discuss the opportunities available.**

PLEASE consider nominating someone you know who would make great contributions as a volunteer. We will contact the nominee and let them know they were *anonymously* nominated and will present the volunteer opportunities available to find out if they are interested.

We can't spell S-U-C-C-E-S-S without U!
